I like the herbal complexity to this Valpolicella red on the nose with cumin, cloves, oregano and some pretty raspberries and spices. Medium body, bright acidity, firm tannins and a fresh finish. Drink now.

A simple Soave with zingy freshness, but a rather soft palate. Some fruit-salad character, but a bit short. Pure Garganega.

This medium-bodied Soave has concentrated ripe-peach character, but remains surprisingly light on its feet. Long, lively and elegant finish. Drink or hold.

Quite a generous Soave with apple and orange-blossom notes. Nice depth and enough freshness to balance, in spite of the moderate acidity. A flexible food wine. Pure Garganega. Drink now.

An innovative Soave that's quite funky and smoky, but with plenty of citrus fruit, good body and length. Drink now.
