VERONA IGT BIANCO

Vineyards: of property, located in Soave

Average age of the vines: 30 years

Exposure: South-East

Soils: substrate of volcanic origin, with tufaceous components

Grapes: Garganega – Chardonnay

Analytical data:

Alcoholic degree: 12,00 % Vol.

Residual sugar: 5,00 gr/l

Total acidity: 6,00 gr/l

Description and characteristics:

Fresh white wine obtained from Garganega and Chardonnay grapes. Bright straw yellow colour, with an inviting nose of elderberry flowers and tropical fruits. On the palate it is mineral with a balanced and elegant acidity, fresh, fruity with dry aftertaste. Well cold, you will appreciate it as Aperitif drink but also as ideal companion with fish, veal, poultry dishes and mild cheeses.
